This is a request for pre-clearance of changes/additions to election polling places in DeKalb County, Georgia. Attached is an explanation of why the changes/additions were necessary.

The members of the DeKalb County Board of Registrations and Elections wish to state that the foregoing changes will not have the effect of denying or abridging the right to vote due to discrimination, i.e, racial, religion, age, disability, national origin, sexual orientation or any other characteristic protected by law. On the contrary, they have as their purpose and affect the extension, facilitation and protection of the right to register and to vote. The DeKalb County Board of Registration and Elections, as Superintendent of Elections for DeKalb County, is given the authority to select and fix the location of polling places under the Official Code of Georgia, Annotated, §21-2-265 and §21-2-266.

Enclosed please find the following items to assist you in reviewing this submission.

1. A copy of the explanation of the changes/additions. (7)
